Commitment to Truth and Reconciliation

Mind - To Know

In recognition of National Indigenous Peoples Day,

and in alignment with the CBE Education Plan,

Ernest Manning High School

EMHS's TRC commitment is connected to building on teacher's Indigenous foundational knowledge so that they are able to continue to shift practice, in a good way, to reflect multiple ways of knowing in both assessment and tasks. As a community of caring, we want to continue to build confidence in teachers to take up this work by collaborating alongside knowledge keepers and colleagues to build resources and move forward with their work with students in a good way. This commitment to whole-school un-learning and re-learning will be demonstrated through observable interactions and artifacts that are tangible and authentic.
